**CVC** Words

consonant-vowel-consonant

over 150 words!

[www.atozphonics.com](http://www.atozphonics.com)

How to make up:

- ④ Print, laminate & cut out all the letters, Backing Sheet & CVC Word List
- ④ Sort into piles as stated – Backing Sheet at the back, Word List second from front
- ④ Use a binder machine to cut holes on the Backing Sheet & Word List or use a hole punch if you do not have a binder machine
- ④ Using a binding machine, position cards onto the plastic spine/comb. (if you do not have a binder machine, you can use stationary rings)

How to use:

- ④ Flip through the letters to make ‘CVC’ words – consonant/vowel/consonant words
- ④ See how many rhyme words you can make with ending phonograms – eg: ig, at, en, op, ut,
- ④ Refer to the list of words you can make with this flip chart
- ④ Point out that every word has a vowel
- ④ At first, let your child look at the spelling of the words to copy
- ④ Later, choose words to spell, eg “Can you spell PIG?”
- ④ To help them, say things like “What’s the first/last sound you hear in PIG?”
