<p style="text-align: center;">Pre-Primer 3 Sight word bingo can, find, for, here, one, red, run, see, up, yellow</p> <p style="text-align: center;">www.atozphonics.com</p>	

How to play:

- 🕒 Cut out the game boards and sentence strips. Put sentence strips in a pile, face down.
- 🕒 Players take turns to take a sentence strip and cover matching sight words (in red) to the words on their game board.
- 🕒 The first player to cover all the words on their game boards is the winner.

The sentence strips help children to practice using the words in context.
